Skills

C#	80%
C++	60%
Python	60%
MikroTik	60%
Databases	60%
cybersecurity	80%
WPF	60%
Windows Form	80%
Microsoft ASP.NET	20%

Programming languages: C++, c#, Python. Passing the math Olympiad in the second year of high school. Winning the second place in the network course (Network+, Security+, Hive Institute. Holder of the super-specialized degree in network security and SANS SECURITY penetration testing. Introduction to mikrotik. Graduated from Allameh Hali High School of Brilliant Talents 2. Familiarity with hardware. Bachelor's degree in Computer Science from Shahid University. (and interested in algorithms, artificial intelligence and security). I have done some c# programming projects for people. Obtaining the top position of Cando Institute. Motivated & diligent.

Education

Bachelor of Computer science

Institute/University: Shahed university of Tehran

Tehran, Iran

2018 - 2022

Diploma in Math and Physics

Institute/School: Allameh Hali High School of Brilliant Talents 2

Tehran, Iran

2014 - 2018

GPA : 18.23

Work Experience

Programming intern

Arman Rayan Sharif Co

Tehran, Iran

2021 - 2021

Tasks and Achievements

- Writing clean and efficient code using C#

Certificates

SANS SECURITY 560 (Network security)

Institute: Arjang institute

2019

(Metasploit kung fu) SANS SECURITY 580

Institute: Arjang institute

2019

Language

English

Reading	B1
Writing	C1
Speaking	B2
Listening	B1
